A young lad is fascinated by the tumbling water at the steam engine display at the Haliburton County Fall Fair. The annual event was held this past weekend in Minden. Photos from this year's edition of the fair can be found on pages 14 and 15. Competition results appear on pages 11 and 18.

Charges follow chase

Charges of possession of a stolen car, and break and enter have been laid against a Toronto youth following an incident late Tuesday evening (August 16).

According to a report, police attempted to stop and check the driver of a car seen in Haliburton. The driver refused to stop, leaving the area at a high rate of speed. The police gave chase and the driver eventually lost control of his vehicle, slamming into a ditch.

The driver was seen fleeing from the stuck vehicle.

Police were later to learn that the vehicle had been stolen in Toronto.

Police warned residents in the area to lock their cars and homes as an extensive search was carried out. The residents were also asked to report any strangers they might see in the area.

The next morning the police received a report of a break-in at a home on Highway 118 in Dysart Township. Taken in the break-in was cash and a quantity of liquor. The theft was investigated by Constable Brian Ladurantaye.

A resident living near where the break-in took place alerted police when he found a youth sleeping in his truck. The youth was

arrested and following an investigation was charged.

Being held in the case is 17 year old Boris Maurice Benedicic. The stolen property was recovered.

Information helps

An alert resident of Haliburton Village helped police recover property valued at over \$200 believed taken in a break-in Wednesday.

The individual called police shortly after midnight August 17, to report seeing a suspicious looking vehicle parked near stores in the community. The property owner noted the licence number of the truck.

A short time after this information was provided, police were called to investigate a break-in at the Old Country Restaurant in Haliburton. Taken in the incident were numerous bottles of liquor.

Feeling there might be some connection between the break-in and the report on the truck, the police were able to trace the ownership of the truck to a Hamilton resident, and then to a cottage on Redstone Lake.

At 3 a.m. that morning police visited the cottage and arrested two teenagers who had in their possession 25 dozen bottles of beer. As

HHSS plans 30th reunion

Plans are progressing well for the Haliburton Highlands Secondary School thirtieth anniversary homecoming. The event, which will mark the anniversary of the opening of the facility in Haliburton is slated for September 16, 17 and 18.

High school principal and member of the organizing committee, Dale Robinson, said the group is expecting between 1000 and 1500 people to be on hand for the event. "We're inviting former students and staff at HHSS as well as the students and staff from Minden and Haliburton continuation schools," he noted. The continuation schools served as the secondary level of education in each community prior to the formation of a

(more on page 2)

Pin-up stripped staff dejected

If you notice the staff of a county lumber store acting a little more agitated than usual lately, it is probably because they are worried about break-ins. In particular, their store may have been the one burglarized August 10.

Fortunately, the intruder did not leave with anything of great monetary value, but stripped the wall of something which the staff admired and for which they felt a great deal of sentimental value.

Taken in the break-in was a photograph, a picture from a magazine. The picture was that of a scantily-clad, comely lass, in what one member of the local contabulary described as a "pin-up pose."

A search has been started by the employees and the OPP with members of the staff apparently eager to examine any and all evidence that may be collected. For reasons of security, the name of the establishment where the picture once graced the wall, has not been revealed.

Constable Wim Magee has been placed in charge of the investigation.

Marg Miller was surprised and pleased when she was presented with a certificate recognizing her many years of service to the Minden Agricultural Society. The presentation was made by Victoria-Haliburton MPP John Eakins during the opening ceremonies at the annual Fall Fair. Society president Wayne Cox was also on hand to witness the presentation.

Youth involved in 4 incidents

Four incidents in the Haliburton Village area during the weekend have been traced to one individual with charges being laid in each case.

According to details provided by the police, on the evening of August 16 two youths were denied service in a Haliburton restaurant. The youths became belligerent and caused a disturbance in the restaurant.

Charged with consuming liquor as a minor and causing a disturbance is 16 year old Randy Upton of West Guilford. Danny Griffin, 19, of Guilford Township was charged with breach of probation.

The investigating officers were Constable Dennis Potter and Al Bibby.

The following afternoon reports of rowdy behaviour were received by the OPP. The incidents, including the

kicking of a dog, occurred on Pine Street. Upton was charged as a result with causing a disturbance and injuring an animal. The investigating officer was Constable Bob Pearson.

A break-in at the Old Country Restaurant late Tuesday night also involved Upton. Police believe that the premises were broken into twice. With one person involved in the first break-in returning a second time to remove more bottles of liquor.

Danny Griffin has been charged with two counts of break and enter. Charged with one count in the incident were Randy Upton

and Shawn Wilkinson, 17, of Dysart Township. Police have recovered some of the stolen property.

The break-ins were investigated by Constables Dennis Potter and Al Bibby.

Upton was also charged in connection with a break-in on the morning of August 16 at Riverside Garage in West Guilford. Upton apparently was a former employee at the garage. Taken in the break-in was a quantity of cigarettes. The youth faces a break-in charge and possession of stolen property as a result of the incident.

Constable Paul Shaughnessy investigated.

Tip helps nab thieves

(from page one)

it turned out, the beer had apparently been taken in a break-in at the Haliburton Brewer's Warehouse outlet. At that point the crime had not even been discovered.

Charged with the break-in at the beer store are John Vincent Eastwood, 17 of Waterdown and John

Christian Shoemaker, also 17, of Hamilton.

The police noted that the tip they received resulted in the recovery of stolen property even before the commission of the crime had been reported.

Investigating the incident were Constables Dennis Potter and Bryan Bowers.

HHSS reunion

(from page one)

county-wide school board.

According to the principal, if everyone who attended those three schools came to the reunion with their spouses, there could be 8,000 people here on that weekend. "We certainly don't expect that many," Robinson stated. "But, I think we can realistically expect more than a thousand individuals to be on hand for the weekend."

The homecoming begins Friday afternoon with a football game at the HHSS field at 2 p.m. Registration of returning students and staff will begin in the foyer of the school at 4 p.m. and continue until 11 that evening. A reception is planned for Friday evening as well in the school gym.

Saturday afternoon the doors of HHSS will swing open to give the returning staff and students an opportunity to walk the halls of their old high school again. As the brochure promoting the weekend points out, "It's a chance to meet former friends, foes and teachers."

The formal activities end with a dinner and dance Saturday at the Legion Hall.

"We've tried not to have too many structured events," Robinson commented. "We hope the people will want to spend the majority of their time just chatting with old friends and renewing acquaintances."

According to the committee member, interest in the reunion has been growing steadily, with the last two weeks showing a marked increase in the number of inquiries.

Brochures, which include a registration form, are available at various locations throughout the county. As well, anyone wanting more information about the weekend can contact the high school for more details. The number is 457-2950.

coming up

Wednesday, August 24 - Peace Meeting at 8 p.m., Minden Community Centre (upstairs). Guest Speaker: Rev. Clarke MacDonald Moderator, United Church of Canada. Chairman: Dr. Norman Alcock. International Peace Advocate. Film: If You Love This Planet. Everyone welcome. Coffee and cookies served.

NOTICE TO ONTARIO CATTLE OWNERS

An expression of opinion poll

will be held on September 14, 15 and 16, 1983 on whether the Ontario Cattlemen's Association check-off* should be made non-refundable.

The question will be

"Are you in favor of making licence fees (check-off) under the Beef Cattle Marketing Act non-refundable?"

You are eligible to vote if

you owned cattle between June 15, 1981 and June 15, 1983. Before receiving a ballot, voters will be required to complete a Certificate of Qualification (available at polling stations) attesting to eligibility.

Polling stations will be located

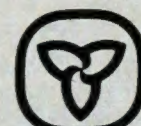

at all OMAF County and District Agricultural Representative offices**

Polling hours will be

Wednesday, September 14, 9 a.m. - 4 p.m.
Thursday, September 15, 9 a.m. - 9 p.m.
Friday, September 16, 9 a.m. - 4 p.m.

* one-fifth of one per cent of the value of cattle sold to a slaughtering plant or sold for beef production purposes at an established public auction sale

** And also in the following communities:
Bruce Station (Algoma), Cochrane (Cochrane), Eganville (Renfrew), Englehart (Timiskaming), Tara (Bruce)
Check your local OMAF office for details.

Klockhoff, Laurie Smith, Amy Hughes, Jana Obee, Andrea Berry, Kimmie Smith Kristopher Windover, and Andrew Berry.

1930 Ford involved in accident

A charge of careless driving has been laid against a Lutterworth Township youth following an accident on Deep Bay Road August 21.

According to police Eugene Steele, 18, was driving his 1930 model Ford on Deep Bay Road when he lost control and it slid into a deep ditch. The antique vehicle sustained \$5,000 damage.

The investigating officer was Constable David

Rogers.

Tank truck tips

The septic tank pumping truck belonging to Les Schell was involved in a single vehicle mishap on the Harburn Road August 15. The truck was being driven by Les Schell at the time of the incident.

The truck pulled over to one side of the road to allow an oncoming car to pass when the wheels became mired in the soft shoulder,

pulling the vehicle into the ditch. Damage was estimated at \$3500.

Constable David Mac Martin investigated.

Driver charged

A charge of careless driving was laid against an Oshawa man after the vehicle he was driving left the road and plunged down an embankment. The incident occurred August 21.

Robert Smith, 20, of Oshawa was driving on Highway 118 when his 1970 model car left the road. The driver received a broken ankle and nose in the

accident. Doug McMillan, 19, a passenger in the Smith vehicle, received minor injuries.

Constable Ken Wesley was the investigating officer.

Good fair

It's not only getting older, it's getting better.

That was the assessment of many people who attended the 119th edition of the Haliburton County Fair and we heartily agree.

From the parade, which had to be one of the best seen in the county in a long time, to the final moments late Sunday afternoon it was an excellent fair.

While the entire fair has improved over the past few years, several areas stood out this year. The talent shows drew large crowds of spectators and participants. We were particularly impressed with the quality of the talent which came forward to entertain the audience. The goat show also proved to be a surprise, with a large number of entrants. Participation in the other livestock events was also up over previous years.

Organizing a two day event like the fall fair takes a great deal of work and dedication. An unseen army of volunteers, members of the Minden Agricultural Society, have laboured long and hard to ensure the success of the fair. They can be proud of the results of their efforts.

Express yourself

Readers of The Times are invited to express their opinions on issues of local interest through letters to the editor. The letters to the editor section of the newspaper is one of the most popular forums for the exchange of differing points of view.

It is the policy of The Times that all letters to the editor must appear with the author's name. Only in exceptional circumstances will we allow a letter to appear over a pseudonym. We reserve the right to edit submission for length and will reject letters we feel may lead to legal action.

Letters to the editor can be sent to The Times, Box 97, Minden or left at our office on Main Street just north of the bridge in Minden.

letters

Editor:

I don't make a habit of airing my views this way, however I expected to hear some negative response to the stripper at the Rockcliffe and wanted to say my piece in response to the letter in last Wednesday's paper (August 17.)

I was one of the ladies, may I say one of the many ladies, present Monday August 15 at the Rockcliffe.

There were women of all ages and social levels at the tavern. We filled the stage area of the tavern to over-capacity and the adjoining alcove as well.

I am not ashamed of the fact that I was in attendance as I suspect neither are the other ladies.

Over the past week I've spoken to different women and men about this negative attitude towards our Rockcliffe Tavern hiring strippers. They feel the same as I do.

For those who disapprove of this "type of entertainment" - no one is forcing them to attend. The same goes for those church people who attended the Coboconk Restaurant then turned around and had it shut down because they didn't like the idea of topless waitresses. It was well-advertised that this is what they would find when they arrived if they disapproved why stay? or even go in the first place?

Why should we follow in Coby or Dysart's footsteps. Allow us to have this form of entertainment! So many other towns and cities are allowing these strippers in - why can't we grow this way too?

There is no fear of corrupting innocent minds. Anybody that is of age to enter establishments of this kind is well aware of what goes on.

Minden has been allowed to remain docile for too long. It's about time we got it moving again.

How can you condemn something that so many women enjoy? We are no less ladies for attending than those who go to bingo and card parties.

Women generally do not get out on a regular basis. We don't enjoy a night of sitting in a "regular hotel atmosphere" as "one of the guys". Therefore, when a source of entertainment aimed at female audiences comes our way, we jump at the chance to "let down our hair" and have fun. I would imagine the husbands could babysit these nights.

May I say we were mighty disappointed at the fact that Cueball (the stripper) never showed. Dave Willis and staff were very sorry about our loss. To help compensate for it, we were offered day bar prices and free passes for this Mondays show (August 22).

HATS OFF to Willis for thinking of us ladies! Let's make this a bi-monthly or at least monthly girls' night out.

Editor:

In response to a letter printed last week, regarding the horrors of a "male stripper," would like to point out the flip side of the so called morality of various Minden residents.

These people who complained so vociferously at the thought of a member of the male gender baring all to the paying public, think nothing else, or else keep their complaints very silent, whenever a female subjects herself to the spectacle of such things as "Wet t-shirt" contests such as the one recently held at the establishment in question.

Maybe it is time for people to realize that in this so called society of equality, what's good for the goose is definitely good for the gander. Shocking as it may sound, females are not always so happy with the aspect of finding their anatomies goggled at by a responding male audience. What is equally shocking is that much of society expects this type of role from the females, yet objects strenuously at the thought of a female imitating this behaviour.

Right or wrong, the fact is only when a "male stripper" appears that people voice complaints indicates an unfair judgement on females, while hiding the supposedly lesser offense that those of the male gender rise to.

Cindy Wilson.

letters

Editor:

In regard to our fair dance this year, as for the music, there were more breaks than music.

We have always gone to the fair and dance and enjoyed it any other year.

When you get a few people together and they are having a drink or two, having a good time, you don't need a girl bouncer coming over, telling you to sit down and shut up or you'll be thrown out.

In the event of no minors allowed, it should be posted and one rule should stand for all persons.

When the fair board people and the band are the only ones at the dance next year, maybe someone will smarten up a bit.

Carole Toye,
Minden

Editor:

In response to Councillor Patricia Burk's letter published in the August 17, Minden Times, I would like to express my strong support for the retention of the Kanawa International Canoe Museum in Haliburton County.

This magnificent and unique collection created so painstakingly over the years by Professor Kirk Wipper, has grown to extensive proportions and could well be termed a "national treasure". The value of these crafts and artifacts, and the tremendous responsibility of maintaining and administering them as a museum, has made it financially and practically impossible to remain as a private collection.

The problems concerning the future of this museum are many and

Greg Feltham returns from a year in Europe

Greg Feltham

A year in Europe learning second and third languages living with total strangers who welcome you into their family, attending school where the lessons are all conducted in another language...these are just some of the many experiences Greg Feltham encountered during his year in Holland as a Rotary exchange student.

"It is hard to describe how fantastic it was," he said after his return to Minden. "There are some events that stand out as highlights, but it is really just an experience that is too large to condense into simple terms."

Greg was chosen over a year and a half ago by a selection committee made up of members of the Minden Rotary Club to be the 1982-83 outgoing exchange student. During the time leading up to his departure, he selected the country in which he wanted to live for the year, made contact with his hosts in Castricum, Holland, and began his study of the language of the country.

While his language studies eased the transition

somewhat, Greg still found the distance created by a foreign language somewhat overwhelming when he arrived in July of 1982. "It is simply an unbelievable experience to be sitting in school with the lessons going on and you don't understand a word that is being spoken," Greg said the experience gave him an understanding of how students from overseas who are hosted by the Minden club feel when they arrive with little or no knowledge of English.

While many of the Dutch people speak English, Greg made an effort to converse in the language of the country. He found that while the learning was slow initially, after a while in the country he grew to understand more and his confidence in using the language increased as well.

Perhaps because of the strain created by the language isolation, he remembers as one of the highlights of the trip the times the exchange students from all parts of the country gathered for a weekend activity. "It was a relief to

be able to speak English again," he recalls. It was also reassuring to find out that students in other locations were experiencing similar problems and incidents as he did.

During his stay in Holland, Greg made an effort to become fully integrated with the community. He visited with members of the Castricum Rotary Club and was invited to be a guest speaker at ten Rotary Club meetings in Holland.

One of the highlights of his visit was a side trip to Switzerland where he spent ten days skiing in the Alps. Also, prior to his return to Canada he travelled to other countries in Europe.

But he has fond memories of the community and club which hosted his stay in Holland. "They are the best Rotary Club in Holland," Greg states. "They made me feel welcome. It was a great experience."

Greg commended the Minden club for their participation in the exchange student program. He said he felt he had profited by his year overseas. "Who can put a price on the bridges that have been built," he commented.

Angela Googh

As one exchange student sponsored by the Minden Rotary Club returns from overseas, another is planning to leave. Angela Googh, a grade 11 student at Haliburton Highlands Secondary School, leaves Friday for Australia. She will be staying in a community called Harden in New South Wales. Like former exchange students, Angela has agreed to share her experiences down under with our readers. During the next year we will be presenting reports prepared by Angela.

At the centre it was all for the birds

by Daniel Copeland

Eyes were lifted toward the heavens last Wednesday at the Frost Centre, but not in prayer. The guest lecturer was not an Indian Guru or a Yoga instructor, but Royal Ontario Museum ornithologist Ross James. Aiding Mr. James was Susan Gesner, an employee of the Frost Centre. Susan, one of the centre's resource technicians, leads many of the centre's tours.

On Wednesday and Thursday of each week, the Frost Centre runs a two

hour program from 1:30 to 3:30 in the afternoon. The themes for these programs vary greatly with such topics as geology, nature photography and the backyard woodsman.

The group assembled outside of the tourist information centre and moved into the main building to start the program. Following a slight delay to find enough chairs to seat the crowd of 113 people who had assembled for the talk, the program

commenced with a slide show. The slides had been gathered to be used in an instructive way to educate the novice birdwatcher.

Mr. James explained how the Canadian climate affected the types of species that inhabit our country and how it affects their numbers. Due to our cold winters, there are only 40 species of birds that live in Ontario all year round, compared to the 225 species that nest here, each summer. What we lack in numbers of species

however, we make up for in actual numbers. It is estimated that some 640 million birds breed here each summer.

Because of the changes in our environment brought about by extended civilization, there have been shifts in the species of birds found in Ontario and their localities. The broadwinged hawk and the common loon, both of which used to inhabit the area near the great lakes, have slowly been pushed northward into the

Haliburton/Muskoka area. Due to the opening up of some of Canada's more northern forestland into farmland, some of the western prairie birds have been moving east.

Ontario's largest bird inhabitant is the white pelican, weighing in at 17 lbs and with a wingspan of up to 3 metres. The ruby-throated hummingbird weighing 3 grams, which is less than a Canadian nickel, is Ontario's smallest bird.

After the presentation,

the group moved outside and those who wished went for a hike. Most group members had remembered to bring their binoculars and Mr. James led the hike along the highway and off onto a dirt road running behind some cottages. Due to the time of day and the fact that most birds are moulting at this time of summer, sightings were few. Among those seen were a flicker, a few barn swallows, a chickadee and a red-eyed vireo.

from the chamber

Keep October 19th free as will be the day of the annual meeting of the Haliburton Highlands Chamber of Commerce. The annual meeting committee wants you to know that the meeting will be on that day and a full day of very worthwhile seminars, panel discussions and displays will be available at a very reasonable price. More details will follow in the future columns as they become available.

If you're young and unemployed and didn't read last week Chamber column you probably missed the fact that the Haliburton Highlands Hospitality Training Centre is currently taking applications. The next session which will begin September 19 will be training chamber maids, bartenders, waitresses and cooks. To top it all off you get paid while you are enrolled. Employment prospects are excellent for graduates of this fine course. Applications are available at the Hospitality Training Centre located over the Red & White store in downtown Haliburton.

Planning is now complete for the 1983 Harvest Festival. It will be held on September 10, 17, 24 and October 1. On September 10 Gooderham will be holding their Klondike Jubilee, on September 17 the Caribbean Festival comes to Minden, on September 24 we say Bienvenue a Stanhope, and on October 1 Haliburton celebrates Over 'Ome Day. Passports are \$5.00 per person and allow you admission to any or all the four events. Passports are available from the Chamber of Commerce office or from the local committees.

Don't forget that there are still Haliburton County Trade Dollars available at the Chamber office and at participating banks and merchants in the county. These trade dollars only cost one dollar and are legal tender any place in the county until December 31. They make great gifts and keepsakes. Ten of them have special mint marks and are worth twenty-five dollars when handed in to the Chamber office.

To See & Do

On August 24 at 8:00 p.m. at the Minden Community Centre the moderator of the United Church of Canada, Reverend Clarke MacDonald will be speaking at the peace meeting. The chairman of this meeting will be Dr. Norman Alcock an international peace advocate. In addition, the film 'If You Love This Planet' will be shown. Everyone is welcome and coffee and cookies will be served.

If you ever felt lost in the world you should visit the Leslie Frost Natural Resources Centre for a program on finding your way. A representative of orienteering Ontario will help you develop your map and compass skills in a two hour free program that will begin at 1:30 p.m. on August 24.

On August 25 the Leslie Frost Natural Resources Centre will feature a program entitled Logs to Lumber chronicling the story of how our majestic forests provide the forest products we use everyday. This free two hour program will begin at 1:30 p.m.

Continuing until September 6 at the Agnes Jamieson Gallery is the Andre Lapine Collection. This show is drawn from the gallery's own permanent collection. The 42 paintings in the show were left to the municipality by the late Frank Welch. The gallery is open from 10 a.m. to 5 p.m. Monday to Saturday and admission is free.

Also continuing in the county is the show "Robert Bateman—A Retrospective" at the Rails' End Gallery in Haliburton. This exhibition of Robert Bateman's works includes several wildlife originals as well as originals from his early days as a painter. Mr. Bateman is world renowned for his realistic wildlife art. The Gallery is open from 11 a.m. to 5 p.m. Tuesday to Saturday and 1 to 4 p.m. on Sundays.

a walk.

PARTICIPATION

Minden County Town Museum

The August meeting of the Minden County town Museum Committee was held in the newly painted museum. Everyone was pleased with the transformation from drab and dirty to bright and clean. The room is nearly ready to receive the artifacts. Pat Clark and his Katimavik helpers did a fine paint job, and the committee is grateful.

Another 'thank you' goes to Cy Heal. Once again, Cy has helped us; this time, he made the Memorial Scroll which will be hung in the Museum. The scroll will record the names of those who have been honoured by family and friends with a gift

of money to the Museum. A \$10.00 memorial gift was acknowledged at the meeting.

'Thanks very much' to Jeanne Sears for organizing and overseeing the Thursday card parties at the Cultural Centre. Each Thursday afternoon during the summer euchre and cribbage buffs have met at the Centre for a game or two. The final meeting for the summer will be held on Thursday, August 25 at 1:30 p.m. There will be prizes and refreshments and a nice friendly atmosphere. Not bad for only a dollar! Hope you'll join in the fun. All the proceeds go to the Minden County Town Museum.

Thanks to the efforts of Sylvia Howard and her helpers, another \$200.00 was turned over to the treasurer from the sale of raffle tickets on the Dr.

painting.

CORPORATION OF THE TOWNSHIP OF STANHOPE

Public Notice

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Stanhope proposes to enact a by-law to stop up, close and convey those parts of the original allowance for road set out and described as follows:

FIRSTLY: All and Singular those certain parcels or tracts of lands and premises situate, lying and being in the Township of Stanhope in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Boshkung Lake, lying in front of part of Lot 9 Concession 3 and part of Lot 10 Concession 4 and being more particularly described as parts 2, 5 and 8 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R 2874. A COPY OF THE PLAN OF SURVEY as noted may be viewed at the Township of Stanhope Municipal Office during normal working hours.

The proposed By-Law will come before the said council for consideration at its regular meeting at the Municipal Office in the Township of Stanhope on the 14th day of September, 1983 at the hour of 11:30 a.m., and at that time, the Council will hear in person or by his counsel, solicitor or agent, any person who claims that his land will be prejudicially affected and who applies to be heard.

DATED: August 5, 1983.

Gerald C. Bain, A.M.C.T.
Clerk of the Corporation
of the Township of Stanhope

Harvest Festival returns

The Harvest Festival, sponsored by the Haliburton Highlands Chamber of Commerce, is returning for its second year this September and October. Details of this year's activities were released Sunday.

The format will follow a similar program as last year with four communities in the county hosting events, each with their own theme. The communities, Gooderham, Stanhope, Minden and Haliburton will be involved.

The festival opens September 10 in Gooderham where the theme of Klondike Days will be used. The organizers in that community plan on a full day of activities, starting with a pancake breakfast in the morning and carrying through to a dance and casino in the evening. During the day there will be events for the children, a beef barbeque and a baseball tournament.

The following weekend

the activities move to Minden where a Caribbean Islands night will be held. Those in attendance will have an opportunity to taste typical island food and drinks and take part in various contests and games including crab races, and the limbo.

September 24 the Stanhope community hosts a Monte Carlo night. Using special Monte Carlo dollars, participants will be able to try their luck at various casino games. The winnings can be used at the end of the evening for an auction.

The Harvest Festival ends October 1 in Haliburton where an Old English Music Hall theme will be in place. The Good Companions, a group of professional performers will entertain the crowd in music hall fashion. The Haliburton event includes a full day of activities including welly wanging, horseshoes, rolling pin toss, tug of war and other activities. The outdoor events will take place at the

ball diamond while the evening activities are scheduled for the Haliburton Curling Club.

As was the case last year, entrance to these various nights will be by passports only. They are now available through the Chamber of Commerce office and various other locations throughout the county. The cost is \$5 which includes admission to all four evenings.

In addition to the promotion being carried out locally, the Chamber has

also arranged with CBC radio and a number of local lodges, to provide free accommodation and food to a couple from outside the area each weekend. The contest, which can be heard on the program 'Ontario Morning', asks the participants to indicate in an essay why they would like to come to the Haliburton Highlands. The four winning entries will be given accommodation, food and admission to the Harvest Festival event taking place that weekend.

The deadline for the entries is this Friday. The winners should be announced in the next few weeks.

Council awards cleaning tenders

The cleaning tenders for the Anson, Hindon and Minden township offices, public washrooms and library-cultural centre were let at the August 11 meeting of the council.

The council agreed to split the work between two bidders.

Bee Clean Janitorial Services, operated by Bill Barnes, was awarded the contract for the municipal office and public washrooms. His price was \$3920. Jenney Cooper was awarded the contract for the library-cultural centre. She will be paid \$1350.

Five bids were received for the cleaning contracts

letters letters letters

(from page 4)

complex. Initially, the authority to keep the museum in Haliburton County, as opposed to moving it to Peterborough or some other location, is of prime importance. To this end, the resolution endorsing the stand taken by Haliburton County Council passed by Anson, Hindon and Minden Council, August 11, is an excellent beginning. Reeve Harry Davis is relentlessly pursuing the issue through government sources, and his initiative and enthusiasm is very encouraging. The editor of this paper is providing continual thoughtful and in-depth coverage of developments as they occur. Bob Stinson, the marketing representative for Haliburton Highlands Chamber of Commerce made an extremely clear presentation in his "Letter to the Editor" of August 3.

All these steps undertaken

Water still available

In last week's newspaper under the heading, Council briefs, it was reported that the municipality of Anson, Hindon and Minden would be shutting off the public tap at the firehall in the evening to deter wastage of water. However, it should be noted that tested drinking water will still be available after hours at the hand pump located at the corner of Newcastle and Lyons Street.

by those in positions of authority, show a deep concern and determination to fight for this issue.

I believe there are many concerned individuals throughout the area who would like to support this cause but are unsure of how to go about it.

The suggestion has been made that a Historical Society might be formed, which would provide a body with the power to act on behalf of, and in the best interests of the museum. This idea has a great deal of merit. Not only would it bring together a group of knowledgeable people who could properly research the

needs of such a collection, but it would also present a medium through which private individuals could funnel their assistance.

If such a society is formed, publicity and communication is essential. An informed public can do amazing things when their interest is captured, but they need a base to work from.

May I strongly urge that serious consideration be given to forming such a society, and that we, the silent majority, be promptly advised?

Looking back

Things were not going well for the Canada Land and Emigration Company in 1868. War in Europe, the Fenian invasion, and several outbreaks of cholera on ships transporting settlers to Canada had all seriously hurt the company's efforts to attract Europeans to Canada. The company then aimed its promotion at settlers who had already arrived in Canada and the United States.

However, as problems arose in attracting settlers, the company was running short of capital. It sought assistance from the government and outlined its position this way in a petition to the Lieutenant Governor in Council:

To His Excellency the Honourable W. P. Howland, (William Pearce Howland (1811-1907) was Lieutenant Governor of Ontario, 1868 to 1873. In 1879 he was created a K.C.M.G.), Lieutenant Governor of the Province of Ontario, in Executive Council.

The humble petition of the Canadian Land and Emigration Co., (Limited,) RESPECTFULLY SHEWETH AS FOLLOWS:

That your petitioners are incorporated under the Imperial Joint Stock Company's Act, and the shareholders of the said Company are principally resident in Great Britain.

That in the year one thousand eight hundred and sixty one, they laid out a capital of forty thousand and seventy-seven pounds, seven shillings and eight-pence, sterling, in the purchase of ten townships, containing four hundred and fifty thousand acres of land, in the Province of Ontario, and since that date they have expended the further sum of eighteen thousand and fifty-four pounds, fifteen shillings and two-pence, sterling in expenses connected with the management of the Company's affairs, surveys and preparation of the land for settlement and furthering emigration, and that while Canada has been benefited by so large an expenditure, various causes beyond the control of the Company have so much and so injuriously affected the settlement of the Company's land, notwithstanding the favorable terms and low price at which it has been offered for sale, that your petitioners have as yet been unable to obtain but a small return of the capital invested.

That their efforts to obtain settlers will be still impeded now that the Government has offered to the public free grants large tracts of land in the immediate vicinity of the lands of the Company, and that had such been the announced intention of the Government at the time of the negotiation for the purchase of the townships now held by the Company, it is obvious that the purchase would either have been declined or such terms only would have been acceded to

as, in the face of such competition, would have given them a rational prospect of fulfilling the settlement duties required.

Your petitioners therefore humbly pray that, under the circumstances, either that your petitioners may be placed in the same position as the free settlers by the restitution of the capital paid by them to the Government, or that they may be relieved of the performance of settlement duties.

And your petitioners, as in duty bound, will ever pray, &c.

Sealed with the Company's seal in the Province of Ontario, and signed by its attorney this twenty-second day of August, A.D., 1868.

F. H. Heward, (Seal), C. J. Campbell. Attorneys and Trustees.

Witness, Chas. Jas. Blomfield, Secretary.

Kin Korner: Korn Fest

submitted
On the Friday night of the Haliburton County Fair, chairman Rob Young along with the Kinettes and K-40 held an amateur night calling it Korn Fest.

The people in attendance were probably surprised at

the quality of the local amateurs who put on the entertainment. We certainly can say that Haliburton County has as good a variety of musicians, singers and step dancers as you will find on television.

Hats off to our M.C. Bill

Payne for a job well done. When there was a pause or a technical problem, Bill along with sidekick our honorary Kin Tom Williamson, filled the spot.

The money raised from this event will go toward our pledge in co-operation with

the fair board for the new washroom facilities erected on the grounds.

Also fellow Kin, remember that in September we will be getting back together with our first meeting of the new season.

Soyers Lake corn roast

- submitted -

The decision to advance the date of the annual corn roast to avoid clashing with family plans for Labour Day weekend resulted in an attendance of some 180 members and their friends, and a most enjoyable and entertaining evening at Soyers Lake.

This year's addition of two items to the usual program of corn roast, canoe, windsurfing and sailboat races, proved to be popular - music of the pipes from Alan Cooper and an exhibition of water skiing by disabled persons. The weatherman gave of his best, with a sunny sky, plenty of wind for sailing (though troublesome for skiing) and a perfect moonlit evening.

The day's events started at 10 a.m. with canoe races. The mixed race was won by John Campbell and Vicky Thompson, the junior race by Victoria and Sasha Tait, and the juniors under 10 by Jane Mawson and Jennifer Lewis. Only one entry showed up for the windsurfing. Results of the four sailing races, co-ordinated by Marnie Blair, were:

Invitation/Laser class: Jillian Orr and Sasha Tait; Mirror class: Robert Cowie and Vito Cassana; Special class: June and Ross Partridge; Bailing Trophy: Dave and Sue Robertson.

At 6 p.m., when members assembled at Lakeview Lodge for the corn roast, aqua-ski instructor Bill Clarke of the Ontario Water Ski Association presented a demonstration of skiing with a team of five disabled skiers.

The first event was a thrilling but gruelling ride on the surfboard for Andrea Gallagher accompanied by Bill Clarke who bounded the board back and forth in the wake of the boat, giving the partially sighted youngster a flurry of sensations.

Next, he supported Anita Prosser in a body lock as they made two circuits of the course on skis. Andrea Gallagher and Karen Hebert then skied in tandem, each dropping one ski on the second round to complete the course on slalom. Ken Burgess, who is totally blind, performed on trick skis with the instructor beside him, completing a 180 degree turn and skiing

backward. Finally Tony Birrell, the owner of the 17 boat with 120 Mercruiser motor used in the demonstration and co-ordinator of the event, completed two circuits after rising from the water one-handed.

Great credit is due to these courageous skiers and their youthful instructor Bill Clarke, also to Mr. Clarke Senior who provided a running commentary. The watchers on the shore gained an understanding and appreciation of what can be achieved by people with little or no sight, even under trying conditions of choppy water and glare from the setting sun.

Piper Alan Cooper of the Haliburton Legion Pipe Band heralded the start of the feast, and his music brought much applause. Gordon Ogg and his corn roast committee - Joe Smith, Moe Dyer, Ben Cameron, Burt Tait, Dave Roberts, Ross Partridge, and Bill and Bob McCorriston - surpassed themselves in preparing delicious new corn and barbecued wieners to satisfy the large number of hearty appetites.

The full moon reflected

on the lake provided a perfect backdrop for the campfire and sing-song, conducted (in the absence of Bob Thompson) by Burt Tait and Sue Robertson and accompanied on the guitar by Nelly Ettel. Several numbers were contributed by the children.

As always, thanks and credit are due to Lew McCorriston, President, for work done behind the scenes in co-ordinating the many activities.

Centre receives funding

- submitted -

Funding from the Ministry of Employment and Immigration has been received and the county information centre has been able to hire a full-time staff person. The contract was signed in Haliburton on Tuesday and ends a long wait for financial help in maintaining a continuity of paid staff.

Since last February when the funding contract expired, the centre has been kept open on a full time basis with the help of trained volunteers. The manage-

ment committee acknowledged the valuable assistance from these volunteers under the direction of Leo Dobrzensky. Mrs. Dobrzensky, the former co-ordinator of the Centre has laid the groundwork for this valuable service for the people of Haliburton County.

After handling an average of 150 calls per month during the winter months, it has not been difficult to convince volunteers of the necessity of maintaining the service. Fortunately however, the Ministry agreed with the necessity of the

service also, and gave funding for one more year. We would also like to acknowledge the help from municipalities and local Member of Parliament for the letters in support of our application.

The centre is open Monday through Friday, 10 a.m. to 4 p.m. It is located on the Drag River Municipal Building in Haliburton, or call 457-2733. Ruth Foster is the new co-ordinator at the Centre and she is anxious to help. If she can't answer your question, she'll direct you to the person or agency who can.

Just another summer
fling...

or a lasting
relationship??

It's been great...
there is no doubt about that.
Over the past month or more, we've
come to know each other pretty well, meeting
once a week at your favourite spot, enjoying
quiet moments alone back at your place.
What more can I say?

And now...you're leaving, heading back to the
city. Oh sure, we're likely to meet on the
occasional weekend but it won't be the same
— not like it was this summer.
Keep in touch with Haliburton County all year
round with a subscription to The Times.
Order yours now, before heading home.
After all, it's been a beautiful summer.

The Setting

There is more to **Hart Lodge** than just a pretty view ... that is for sure.

Hart Lodge, located in one of the most scenic spots in Haliburton County, provides not only pleasant surroundings, but delicious, tastefully presented meals as well.

At the junction of Twelve Mile and Mountain Lakes, the Hart Lodge dining room overlooks the rushing water created by the Twelve Mile Lake dam, hence the slogan, "the best lodge by a dam site." The view can be seen from the dining room, or for those who enjoy the pleasure of dining outside, a number of tables are located on the balcony.

The Hart Lodge dining room, of course, caters to the many people who make that location their temporary home. However, the dining room is also open to those not staying at the lodge. It has a warm and friendly atmosphere with pine panelling and a hearth at one end of the room.

One feature which visitors to the area or local residents will not want to miss at Hart Lodge is the Super Saturday hot and cold buffet. You can choose from a delicious selection of dishes including salads, cold meats and three hot plates all carefully prepared and served by the experienced, friendly staff.

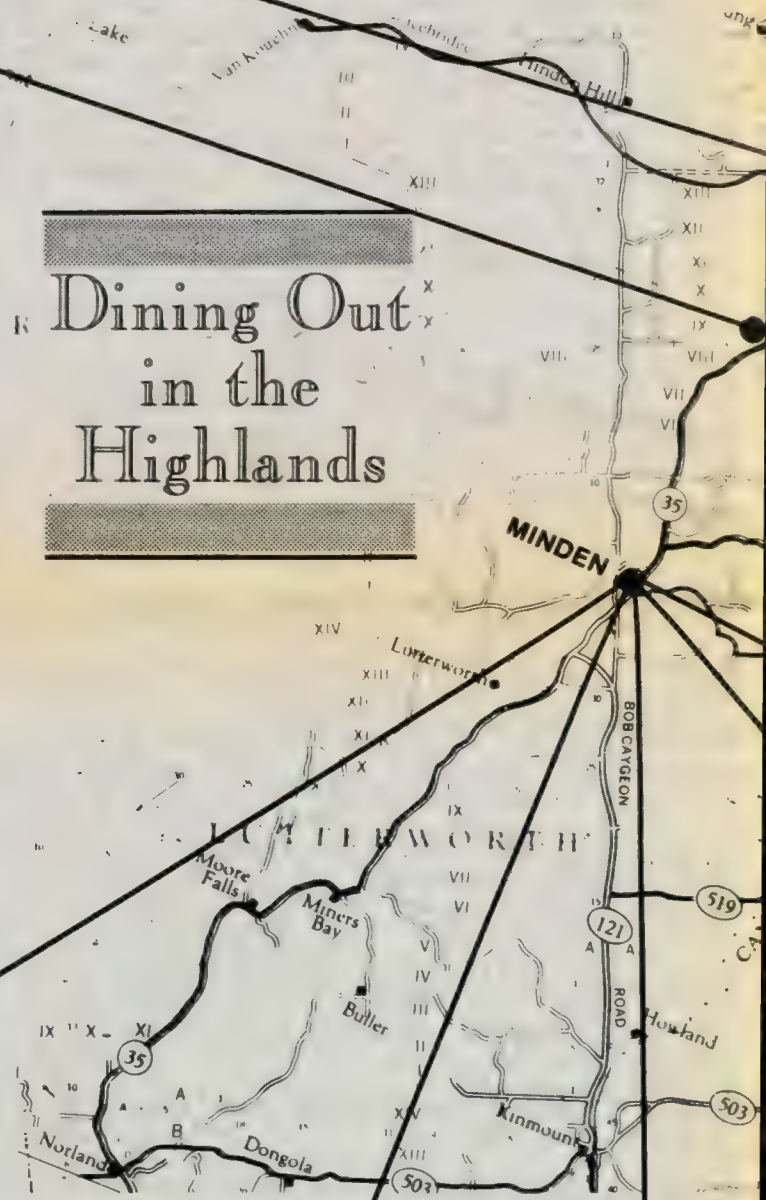

After you've finished the main course, and enjoy as much as you want, look over the excellent selection at the dessert table. Cakes, squares, cream desserts ... all mouth-watering good. Don't forget your slice of the heart shaped Hart Lodge marble cake.

The buffet supper is a popular meal at Hart Lodge. While visitors are welcome, reservations are a must.

Hart Lodge will also be featuring special Labour Day and Thanksgiving weekend meals. A special buffet supper will be held Saturday evening September 3 and a brunch Sunday morning. Many families have also made the Thanksgiving dinner at Hart Lodge a tradition. This year the Thanksgiving evening includes a reception, full course meal and entertainment ... all for \$16.50. Whenever you choose to visit Hart Lodge, we know you'll find their slogan to be true.

Hart Lodge, Highway 35 five miles north of Minden. Call for reservations 286-1738 or 286-3630. VISA.

CORPORATION OF THE TOWNSHIP of LUTTERWORTH NOTICE

IN THE MATTER OF THE MUNICIPAL ACT: and IN THE MATTER OF a proposed By-law of the Corporation of the Township of Lutterworth to stop up and close portions of the 66-foot 'unopened' Original Shoreline (Marine) Allowance for Road around the shore-line perimeter of Davis Lake, in the front of Part of Lots 7, 8, 9, and 10, Concessions 1 and 2, in the Township of Lutterworth and to convey the aforesaid Shoreline Allowance Portions to the abutting property owners.

NOTICE IS HEREBY GIVEN, pursuant to Section 301 (1) (a), of the Municipal Act, R.S.O. 1980, that the Council of the Corporation of the Township of Lutterworth proposes to consider and, if deemed advisable, to pass at its Regular Meeting to be held at the Council Chambers, 3 miles south of Minden on Highway No. 35, on THURSDAY, SEPTEMBER 15th, 1983 at the hour of 7:00 o'clock P.M. a By-law to stop up and close the parcels of land more particularly described as follows:-

SCHEDULE "A"

ALL those adjoining parts of the sixty-six foot Original unopened Shoreline Allowance for Road along the shore of Davis Lake in front of Part of Lot 10, in Concession 2, in the Township of Lutterworth; in the County of Haliburton, designated as Parts 1 to 9 on a Plan of Survey deposited in the Registry Office for the Registry Division of Haliburton (19) as Plan 19R-2856.

AND, in addition, to convey Parts 1 to 9 on Survey Plan 19R-2856 to the owners of the abutting Instrument Numbers 48815, 62039, 62038, 120078, 54176, 59879, 41739, 11738 and 105912.

SCHEDULE "B"

ALL those adjoining parts of the sixty-six foot Original unopened Shoreline Allowance for

Road along the shore of Davis Lake in front of Part of Lots 8 and 9, in Concession 1, in the Township of Lutterworth, in the County of Haliburton, designated as Parts 1 to 7, 9 to 19 and Part 25 on a Plan of Survey deposited in the Registry Office for the Registry Division of Haliburton (19) as Plan 19R-2857. AND, in addition, to convey Parts 1 to 7, 9 to 19 and Part 25 on Survey Plan 19R-2857 to the owners of the abutting Instrument Numbers 79551, 97055, 55033, 21257, 75896, 2541, 75897, 21976, 16525, 91371, 90979, 60797, 70459, 119234, 70649, 35387, 47855, 47856 and 44309.

SCHEDULE "C"

ALL those parts of the sixty-six foot Original unopened Shoreline Allowance for Road along the shore of Davis Lake, in front of Part of Lot 7, in Concession 1, in the Township of Lutterworth, in the County of Haliburton, designated as Parts 1 and 2 on a Plan of Survey deposited in the Registry Office for the Registry Division of Haliburton (19) as Plan 19R-2835.

AND, IN addition, to convey Parts 1 and 2 on Survey Plan 19R-2835 to the owners of the abutting Instrument Numbers 94514 and 57542.

Copies of Survey Plans 19R-2856, 19R-2857 and 19R-2835 are attached to the proposed By-law and may be viewed at the Lutterworth Municipal Office during normal working hours.

AND TAKE FURTHER NOTICE that before passing of the said By-law at its meeting to be held at the time and place above-mentioned, the Council of the Corporation of the Township of Lutterworth, shall then and there hear in person or by his or her counsel, solicitor or agent, any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at the Township of Lutterworth this 10th day of AUGUST, 1983.

Mr. Wayne D. Hughes,
Clerk-Treasurer,
P.O. Box 176,
MINDEN, Ontario K0M 2K0

Federation of Ontario Naturalists

Ontario's new Environment Minister, the Honourable Andrew Brandt, wasted no time in setting his priorities. Unfortunately, his recent refusal to initiate an environmental assessment of the Obong Lake forest access road shows that environmental protection does not head the list.

The notion of a forest access road may spark images of a picturesque trail winding through the woods. In reality, the Obong Lake Road under construction north of Thunder Bay is an all-weather industry highway, which carves a wide swath through the forest, and allows huge logging trucks to pass at high speed. Far from benign, these roads disrupt fish and wildlife habitat and cause serious erosion and sedimentation, with consequent effects on water quality.

On the economic side these are obvious benefits. In remote areas road access opens the door to development. Sound forest management, requires extensive road networks. And this access may also serve a variety of recreational pursuits. But all these benefits only add up, and exceed the costs, if there is a lot of careful planning before construction begins. Otherwise any particular road, let alone the poorly planned networks which criss-cross Northern Ontario, can cause land use conflicts and resource

depletion.

The Obong Lake road is one of many examples. Being built into virgin territory, at public expense, to help Domtar salvage some aging timber, it is in reality being used to get at much younger wood which should not be cut now. In the process, traplines, fish spawning areas and remote tourist operations are being sacrificed. Though he acknowledged the validity of these concerns, Mr. Brandt quickly rejected a request from local outfitters, conservationists, and their MPP for an environmental assessment. He also chose not to seek the counsel of the Environmental Assessment Advisory Committee, established for this purpose.

The buck must ultimately stop at the desk of Natural Resources Minister Alan Pope, whose department is responsible for the sorry state of forest management planning in this Province. However Mr. Brandt had a perfect opportunity, and the mandate, to take the initiative in finding a remedy for this particular problem and spur his colleague to action. He chose not to take it.

Perhaps ongoing public pressure, including some from his own advisory committee, will cause him to reconsider. That is to be hoped, because the Obong Lake situation is far from unique and Ontario deserves more than a "Minister of Exemptions" as defender of the environment.

TORNADO

SEPTEMBER 3 ONLY

Haliburton Lumber
Highway 121 457-2510

Watch next week's newspaper for more details.

SPOT THE SHOT

Buttermilk Falls. Everybody knows where that picturesque site is located. That fact became obvious as we opened the entries which arrived for contest number seven. Every entry received correctly identified the location of the photograph. Congratulations to everyone. The winning entry, chosen by lot, was submitted by Helen Golchuk of St. Catharines. She wins a \$25 shopping certificate from Easton's Red and White, Haliburton or Minden. Other correct entries were submitted by: Marjorie Cowen, Bill Reid, Alvin Cowen, Grace Turton, Joyce Jordan, Ellen Holden, Diane Cowen, Dave Farrell, Mr. H. Gerrith, Laura Cross, Tricia Hewitt, Mrs. Sandy Cole, Florence Kennedy, Lloyd Coleman, Chris Sanders, Greg Kennedy, A. Smith of Waterdown, Lorna Hicks, Don Hicks, Shirley Howe and Jan Scott-Wood.

This week's picture is not really a dam, but it does show a point where one lake ends and a short stretch of river connects to another lake. If you recognize the spot above, you should be able to identify the lake on the far side of the bridge and the one downstream. Send your entries to: Spot the Shot, c/o The Times, Box 97, Minden. Please mark Contest no. 9 on your entry and don't forget to include your own name and address. Entry deadline is 9:30 a.m. Tuesday, September 6. The winner will be announced in the September 7 edition of The Times. The prize, as usual, is a \$25 shopping certificate redeemable at Easton's Red and White in Minden or Haliburton. Good luck!

Ministry begins liming experiment

The Ontario government has started an experiment in northern Ontario to determine if lakes killed by acid rain can be brought back to life. The test involves the dumping of 85 metric tonnes of lime into a lake north of Sudbury.

The liming of Bowland Lake, 70 km north of Sudbury August 11 to 13, is part of a five-year study designed to determine the effectiveness of lime in rehabilitating highly acidified lakes and in protecting lakes susceptible to acidification. Bowland is one of three lakes to be studied in the Ministry's liming experiments. Miskokway Lake, and Trout Lake are also threatened by acidification.

"From the experiment we

hope to gain more knowledge of the effects of liming on lake life", said Mr. Brandt. "We look on liming as a short term measure which may be useful in temporarily restoring an acidified lake or protecting a fish population. The long term solution for reducing acid rain is proper control and reduction of emissions at the source, both here and in the United States."

The study was initiated as part of the Acidic Precipitation in Ontario Study (APIOS) and involves both the Ministry of the Environment and the Ministry of Natural Resources. A private company, Booth Aquatic Research of Toronto is co-ordinating the study which involves several contractors, as well as

government staff in a joint effort.

Prior to the actual liming of the lake, intensive studies were conducted to characterize the lake in a pre-neutralized state. The water quality was monitored regularly and the fish stock was examined.

In addition, the effects of different rates of lime addition on plankton and yellow perch were tested last summer, using small enclosures in the lake.

For the actual liming of the lake, ground limestone (CaCO₃) with a mean particle size of 7 microns is blown into the hold of a Canso, the aircraft being used for the project. The Canso can hold 3 - 1 2 metric tonnes of lime at one time. Approximately 25 trips will have to be made

to drop the total 85 tonnes of lime into the lake. It takes about 1 hour for the Canso to fly to Bowland Lake, drop the lime and return to Sudbury Airport.

During the three days of liming, crews will be on the lake monitoring the dissolution of the limestone. Samples will be taken to the Ministry of the Environment's Mobile Lab nearby on Laundrie Lake a short portage from Bowland Lake.

The investigation will be completed with a re-characterization study of Bowland Lake over the next few years. The liming projects for Miskokway Lake and Trout Lake are presently being planned, taking into account the findings of the intensive studies under way.

Trudeau's musical chairs

—by Bill Scott, MP—

On August 12th, Prime Minister Trudeau orchestrated the latest version of musical Cabinet chairs.

Despite rampant rumours of a wholesale purge on Ministers only a few changes took place. Two of the old guard Ministers, Hon. Gilles Lamontagne and Hon. Jean-Luc Pepin, were given positions of less strenuous nature obviously preparing them for retirement from active politics. The major changes saw the Department of Employment and Immigration given to Hon. John Roberts and Trans-

port given to Hon. Lloyd Axworthy. Other minor changes saw Hon. Judy Erola moved to Consumer and Corporate Affairs and a few fairly junior Ministers dropped from the Cabinet. In their place three younger Members from politically strategic Toronto ridings, and one from Montreal, were appointed.

What this shuffle has done, and appeared designed to do, is to raise the profile of Liberal members in key areas. It gives Mr. Axworthy a higher profile in western Canada, as

Transport is responsible for the Crow Rate. It gives Mr. Roberts a higher profile in Toronto where he also is the chief political minister. No one I have spoken to feels that his shuffle will in any way rescue the image garnered by this administration. Possibly it will save a few members the loss of their seats, but that too is doubtful.

What it has done however is to cast question on the Government's position on the Crow Rate and on the new job creation projects just introduced by Mr.

Axworthy. A new Minister could scrap the current initiatives and propose something new. If I was a bit skeptical, I would now be closely watching for a dramatic shift in the Crow Rate policy, in particular. It could be that the Liberals feel they need to all of a sudden be more generous to grain producers in order to retain any seats in the west.

In any case, I wish the new Ministers every success. I hope they will bring with their new portfolios new dedication to the people of Canada.

Branch 129 news

Good weather and a large crowd made a favourable contribution to our Legion Carnival. By now, most people know that the lucky winners on the draw were: Barb Debler, Haliburton; Ken Wilson, Haliburton; Bill McLuskey, West Guilford. Already, Paul Dawson and Holly Sisson are planning for the 1984 Carnival.

Our Haliburton Legion Pipe Band along with colour parties, and several Legion members attended the Drumhead Service in Fenelon Falls on July 24. This popular band has several current engagements which will include travelling with colour parties and members to the Stirling Drumhead Service on August 21. A bus has been reserved for this purpose.

Nearly all of Haliburton's Legion officers attended the District seminar hosted by Branch 52, Peterborough,

on August 7. We are happy to see our representation of our Branch at Zone and District level with Comrades Mel Robertson as Zone Commander, and Sylvia Sisson as Zone Secretary - Treasurer, and District Recording Secretary.

President Bruce has a group of very active and innovative committee chairmen. For example, Jack MacDonald's excellent job is getting attractive entertainment on Friday and Saturday nights has resulted in filling the Club Room on these nights.

Among Legion donations in the past month, the Executive voted to send two hundred dollars to Tall Pines to assist County children with learning disabilities.

We hope to see all members at the General meeting in September.

Mabel D. Brannigan

"WHERE THE ACTION IS"

around the county town

by Yvonne Guida

Mrs. Edith Welch of Hyland Crest, I am happy to report, is back home and doing nicely after extensive stays at Minden Hospital, Ross Memorial Hospital in Lindsay and Wellesley Hospital in Toronto. Edith was born and raised in Minden and has been a very respected member of this community for many years. She raised two sons, Ron and Gerald and now has three grandchildren, of whom she is very proud. Her daughters-in-law Pat and Jean visited with her this past week. All her friends are happy that she is well once more and we hope she will continue to stay in good health. It is most gratifying to see a lot of our older citizens bouncing back after having physical problems. God bless them.

Miss Jennifer Vanderwood of Okanagan Centre, British Columbia, is currently enjoying a pleasant visit with her grandmother, Mrs. Daisy Bates of Lutterworth Pines.

I am sorry to report the deaths of Mr. Russell Pritchard of Eagle Lake and Mrs. Esther Rowbotham of Hyland Crest. Our deepest sympathy to the members of their families.

The winners of last week's Museum card party are as follows: Lone Hands - Shirley Elcome; other winners were Jeanne Sears and Lil Porter.

Major and Mrs. T. Seeley, Christopher and John are visiting with Mrs. E. Seuret on Gull Lake.

This Friday evening, there will be free movies shown for children in the Common Room of the Minden Cultural Centre. Movies begin at 7:15 p.m. to 8:15 p.m. Everyone is welcome.

The St. Paul's Thirft Shop is featuring a half-price sale this Friday afternoon from 1:30 to 4:30 p.m. This is a great time to take advantage of all they have to offer, from children's wear to adults. Come early for the splendid buys.

Neil, Susan and Samantha visited his mother, Mrs. Joyce Hewitt this past weekend.

Two busloads of seniors embarked on a great trip this past Wednesday. A lovely three hour boat trip through the 30,000 islands aboard the Island Queen. People from Minden, Haliburton, West Guilford and Carnarvon all enjoyed the trip immensely on this beautiful boat. After the tour they partook of a delicious

dinner that evening at the Jolly Roger Restaurant. Everyone arrived home tired but very enthusiastic about this scenic trip. The Island Queen leaves Parry Sound daily.

Phyllis and Kenneth Brown of Potomac, Maryland, hosted an "Old Soldiers Day" Wednesday August 17 at their cottage on South Lake. Joining the Browns were four other veterans of the Canadian Field Survey Regiment all of whom served overseas together in the Royal Canadian Engineers during W.W.II. Included in the reunion were Peggy and Jack Bassett of Haliburton, Helen and George Green of Cannington, Grace and Robert Edison of Montreal and Margaret and Ivan Toutloff of Toronto.

The recollections and stories were clear and of course, exaggerated. All of this was wrapped around lunch, dinner and a send off "Champagne Breakfast."

The following letter was received from R.W. Adams of Niagara Falls and no doubt many of you will remember the gentleman concerned.

"I am writing this letter on behalf of my mother, Emily Laura Adams (nee Ranson) who receives and reads your column faithfully each week, to inform you that my father A.M. Adams (Bill) suddenly passed away in his 79th year on July 28th, 1983.

I am sure there will still be some people who will remember dad from the days when he worked at the old bank.

Funeral services and committal were held at the Butter Funeral Home at St. Catharines, Ontario, followed by cremation. At his request his ashes were buried in the Robert Ranson Family plot at Minden, Ontario.

Editors Note: Yvonne will be on vacation from The Times for the next two weeks. Any news you may have for 'Around the Town', please call The Times office 286-1288.

PLAY IT SAFE!
Don't fool in the pool.

The Canadian Red Cross Society

senior league

by Bert Harrison

Dear Readers, as I start this letter, the summer is almost gone. The days are getting shorter but we must carry on. We are getting lots of sunshine, if some showers they could spare and the 20th day of August is Minden County Fair.

Sunday evening chapel service scripture taken from Matthew chapter ten. Are not two sparrows sold for a farthing He said and He knows how many hairs grow upon your head.

It is like old times to have Edith Welch back with us, after being in three hospitals, they found nothing wrong within, we hope she will soon be feeling better and won't have to go back again. Helen Lee is back with her cute little smile, she hasn't been here for quite a long while. Linda showed some interesting movies Monday night, "Toronto flight of fancy, Ottawa Canadian Capital, and Temples of China." Ladies working the craft room, Monday afternoon, working they should be caught up soon.

Rev. Westhaver of Minden United Church held a very interesting service in the chapel this August sixteenth day, said he won't be here next month, he will be on holidays. Agnes and Barbara came to sing and play, we also had a special guest, Miss Day.

Tuesday noon Doris said "If you will promise to behave and not make any fuss I'll take you for a ride in the Hyland bus." Linda said she would come along to keep us in our places and see we wouldn't do anything that would disgrace us. So we climbed into the bus, to Huntsville we did go, we didn't bother stopping or go in to see the show. But we were treated to ice cream and then came home another way; it all seemed like a dream.

Tuesday night it was so

nice to have the Watson-Smith group back with us once more, they have been here many times before.

Teddy Carr is busy at his work bench too if we keep him supplied with material and lots of glue. Congratulations to Miss Nelda Draper whose picture appeared in the Haliburton paper. She graduated from college with a diploma in nursing, we wish you all the best, we are happy you are nursing here at Hyland Crest.

Those residents who took the boat trip said they had a perfect day touring through the islands of Georgian Bay.

One day this past week, Edith Welch and sister Carrie along with Edith's two daughters inlaw took a lunch and went to Twelve Mile Lake, she said they really enjoyed themselves and the water was just great.

Mr. and Mrs. Ronald Amundson from Iowa State, visited Mrs. Annie Cox and other cousins of late. The ladies of St. Stephens Guild brought in the lunch this Thursday afternoon. Before and after serving we had a real hymn sing, we thanked them very much for coming, much pleasure they did, bring. Friday afternoon our entertainers came as they had done before and entertained us for an hour or more.

Mr. and Mrs. George Cowan from Brampton, daughter Patricia and son

Alexander from Newfoundland, came up this lovely August day to attend the Johnson-McKinlay wedding and came in to see us while on their way.

Doris took some in the bus to the Minden Fair, they all report a splendid time, there was a large crowd there. Just before I close this letter we are glad that Helen Brown is feeling better. Jessie Walters a nice holiday did take at her old home at Kennesis Lake.

On My Way To Work:
Dear Lord excuse my heavy boots, dungarees and cap, I'm praying on my way to work, for I'm a working chap.
The bus is just ahead but Lord, I've surely time to pray for strength to be a better man than I was yesterday.

by Jean Lacey

Hi Kids.

Here is another word puzzle for you. Look in the list for the words in the puzzle. They run forward, backward, up and down, always in a straight line.

Have fun.

Here's some crazy questions I hope you'll like:

Q: Why did the elephant cross the road?

A: Because it was tied to a chicken.

Q: What goes 99 thump, 99 thump, 99 thump?

A: A centipede with a wooden leg.

Q: What is the definition of nothing?

A: A balloon with its skin peeled off.

Q: What's red and goes putt - putt?

A: An outboard apple.

Customer Appreciation Draw

It's been a great summer, thanks to you.

And because you've helped to make it our best summer ever, Bill and the staff at Easton's Red & White, Minden, would like to say "THANK YOU". To show our appreciation, we're giving you an opportunity to win this Char-Broil gas barbecue.

Simply fill in the coupon at the right, put it in an envelope with 3 cap liners from any PEPSI product and the U.P.C. code from any SCHNEIDERS product. Drop your entry in the ballot box at the Minden store only, and you could be the winner. Draw takes place September 3.
